Bachelor of Science in Business Computing Student

Highly motivated and dedicated young professional, I have completed coursework for Bachelor of Science in Business Computing and awaiting graduation. I'm organized, efficient, and hard-working with strong communication, analytical, interpersonal, decision-making, problem-solving, organizational, time management, and computer skills. I am committed to evidence-based practice and data management.

WORK EXPERIENCE

JUDICIARY   **05/2024 - 08/2024**

THIKA LAW COURT AND SMALL CLAIM COURTS

ICT INTERN • Internship   **THIKA**

I developed hands-on experience in e-filing systems, account activation, document management, and network maintenance. I also honed my troubleshooting skills through crimping Ethernet cables, resolving network issues, and providing IT support, which strengthened my ability to think critically and solve problems efficiently.

EDUCATION

Bachelor of Science in Business Computing

Jomo Kenyatta University of Agriculture and Technology   **09/2021 - 05/2025**

CERTIFICATIONS

Huawei   04/2023 - 08/2023

HCIA Datacom Certification

PROJECTS

SMART ROADSIDE ASSISTANCE AND GEOFENCING SYSTEM WEB APP   01/2025 - 05/2025

JKUAT

DEVELOPED A SMART ROADSIDE ASSISTANCE AND GEOFENCING SYSTEM
Engineered a web-based platform integrating geofencing, location tracking, and smart roadside support, enhancing emergency response through real-time service provider notifications and secure vehicle verification.

USSD VEHICHLE VERIFICATION SYSTEM JKUAT   09/2024 – Current

Designed and implemented a USSD-based system to enable real-time vehicle status verification without internet access, promoting accessible and secure vehicle data retrieval for drivers and law enforcement.
